## 1) Nagamese Community Worship

Normally, we hold Nagamese and English worship separately but because of the 3rd floor conference hall construction, we are currently holding combined worship service in Nagamese, the local language, since March this year, at 10:00 a.m. every Sunday.

The students' English worship service is held separately at 8:30 a.m. and 7 p.m. on Sundays. We join the community worship with other church members at 10:00 a.m. so that everyone has the opportunity to enjoy community worship with one heart and mind.

Continue to pray for the anointing of the Holy Spirit to overflow in worship.

## 2) Healing Service

We hold healing services twice a month. On March 10<sup>th</sup>, Pastor Meyiete Nuh, came and gave us a testimony about healing and delivered a challenging message on God's grace. On March the 31<sup>st</sup>, "Love Your Enemies" an evangelistic and prayer team from Kohima, led by Mr. Kusazo Nyekha along with 18 people, led us into praise, prayer, message and healing service.

During the healing service, healing grace was poured out strongly on Deaconess Maya Limbu and Mrs. Kumari and one brother from M.I. Zion House of Prayer who had been struggling for one week without speaking or eating was able to speak again by the power of the Holy Spirit.

## 9) Youth Ministry

**Leader : Ms. Shekutholu**

The most rewarding thing about being a youth leader at M.I. Church is seeing my friends run after God's heart. Being with them and working with them is delightful, but seeing them live for Jesus is even more rewarding.

We have a good number of about 25 youths in M.I Youth Ministry, 10 Female and 15 Male. We really want to develop the youths to stand firm in their faith, and be a responsible individual in God's Ministry. Our youth want more. We all want more. Matthew 7: 24-27 tells us that we must hear and live God's truth, so that we will not fall, no matter what storms come into our lives. I believe our Youth ministry is giving our youth that truth and the strength that comes with it.

<b>Mission statement</b>	: Ensure Constant growth to fulfil God's plan
<b>Vision Statement</b>	: Growing and Serving Church with God's Grace
<b>Golden Rule</b>	: Mathew 7:12, 1 Timothy 4:12.
<b>Core Values</b>	: Caring and Faith
<b>Theme</b>	: Believe in God's Grace and help everyone

**Activities:** Fellowship, Discussions, Speech. We do activities to build the Confidence of the youth in par with their interest. In discussions we bring our views on things going on around us. We want to emphasis on Exposure: We plan to visit some places (Orphanages, differently Able Persons Schools, Dzukou Valley etc)

**Needs:** We don't have any sponsors yet, so we kicked off the semester with fundraising, as every youth member is a seminary student, we are still in need of funds to do more, we are praying to God for our sponsorship.

## 10) Teens

**Leader: Ms Aghakali Swu**

### Reflection: Werite-u Kreo

I have been part of the Teens Fellowship at Mission International (M.I.) for three years now and over the course of this journey I have had many experiences and lessons which contributed to the growth of my spiritual life, knowing more about Jesus and His Love.

It is very fortunate of me and my teen mates to be a part of M.I. Teens and as we work together as one in Christ, we've learned so many values of life and teamwork. I am grateful for the existence of this 'Teens class' where I have people my age, not too old nor too young, easy to blend in together, perfectly arranged for us to praise and worship the Lord.

Teachers and teens have come and gone along the years, and it has been a beautiful journey working walking for the Lord, our God. Looking back to when I first joined the Teen Fellowship, there weren't as many members as there is now and having no friends, I wasn't very interested to keep coming. However I believe God helped me and He was my strength to keep going till now.

I am thankful for our Ms Aghakali under whose guidance, the Teens family has been able to progress and continues to grow even stronger. It is also growing in number and Teens programme is more systematic than ever. Throughout the

experiences, I've come to realise in Teens Fellowship has taught me a lot of things importance of participation, co-operating, leading, helping, learning together and to lead a Godly life. It has made me bolder and more confident to talk about God like never before. A lot of us have learned to take up responsibilities assigned to us, improved speaking skills at the same time and taking part in creative activities. Finally, it is my hope and prayer that the Fellowship will continue to grow and work for God, and earnestly seek His Kingdom. God has always blessed us and Led us, it is belief that He continues to be merciful to the teens fellowship.

## 3. M.I. Vocational Centre

### 1) Korean Class

Every Tuesday, Wed. and Fri. from 11 a.m. to 12:30 p.m. Korean classes are conducted, not only for M.I. members but also for those who come from outside to study Hangeul. Missionary Rev. Dr. Paulah and Rev. Han Chang Kuk teach Korean language and Sister Lenam helps with basic classes.

### 2) KUC (Korean Restaurant: Korean Uncle's Café)

By God's grace, the Korean restaurant run by Deacon Andrew Park continues to operate well in two Cities (Kohima and Dimapur). Whenever Korean short-term mission teams come, they play an important role in Missions through networking and meaningful exchanges among the missionaries through the dining table and fellowship.

On April 14<sup>th</sup>, at the wedding reception of Professor Nouné's niece at Kohima, there was a KUC corner, where Korean food was served. It was an opportunity to present Korean dishes. Deacon Park will visit South Korea on April 17<sup>th</sup> and will return to India in about three weeks.

### 3) Music Class

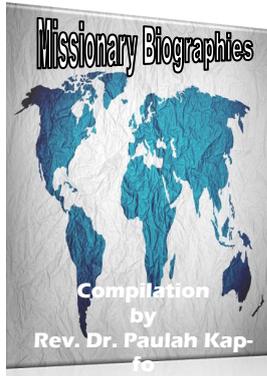

Besides academic requirements, music is also taught by Brothers Paul and Raja where guitar, drums and keyboards are taught.

Musically talented by nature, Naga people always enjoy singing and enjoy using their after-school time to learn musical instruments. It is an asset to ministry.

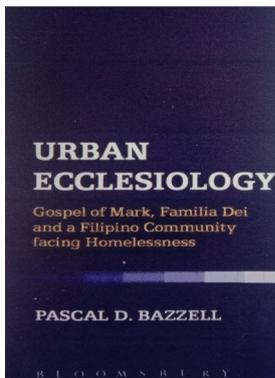

# M.I. INDIA

## 4) M.I. Press

As a part of Christian literature Mission, M.I. India operates its own Press. Sister Kathy and Brothers James & Chris work in the computer lab to print and copy seminary students' assignments, book binding, and editing photographs. They help students and the ministry a lot. (Especially in situations where seminary text and reference books are difficult to obtain Students benefit much from their assistance).

## 4. M.I. Prayer House

We give thanks to God for the construction of the stairs to the bathroom at the M.I. prayer house. We can get around without difficulty during the rainy season.

By holding camps such as Good Friday and Easter Sunday, our M.I. Prayer caters to train lives of participants and fill the attendees with the anointing of the Holy Spirit.

Every Sunday at 10 a.m. people from the surrounding areas come to worship. Brothers Khropeto and Sanjay take turns giving the message, sometimes pastors from M.I. church often go to deliver the messages.

On April 19<sup>th</sup>, Lily Sumi's brother's family went to the prayer house and fasted for three days in the morning, Mr. Neilo Medo, also went there to help them with prayer and counselling.

We pray that through M.I. Prayer House, wonderful healing, spiritual restoration, and salvation of souls will take place. Majority of the neighbours are Muslims, but there also are Hindus and un-churched Christians.

5. Out Reach Mission

1) Helping Fire-Affected Families

On Easter Sunday April 9<sup>th</sup>, a massive fire broke out in a Burma camp, burning 605 homes to ashes and leaving more than 1,000 people homeless. On Easter afternoon, Rev. Dr. Paulah and the outreach team went to the scene after a street preaching meeting. On observation, it looked very devastated. A Hindu, grandmother who could not walk because of a sore leg, was burned to death before she could not escape, and more than 1,000 lost their homes.

They are living on the streets with nothing. By announcing this news to Korea and several places in Nagaland, Daejeon Daeheung Baptist Church in Korea and Chakhesang Kuzhami Baptist Church in Kohima and M.I. Church actively participated in the relief ministry.

On April 16<sup>th</sup>, 605 food packages were made with dal and Atta (flour) that the locals eat as staple foods, and other immediate essentials such as salt, soap, etc. were distributed. Candy, bread and water were also provided to the evangelistic area. Most of the people are from Muslim and Hindu backgrounds.

On April 18<sup>th</sup>, another fire broke out in Kuda Village, Dimapur. More than 10 houses were burned down, and M.I. India donated dal, potatoes, cooking oil, rice, eggs and onions. One family, who had lost everything in the flash fire, wept lamenting, "I cried so much that I don't even have the strength to cry anymore."

It is our hope that the governments, charities, churches and volunteers will practice love of neighbours and show the love of the Lord by actively helping strangers in crisis as much as possible.

## 2) Hindi Bethel Baptist Church Worship

On March 26<sup>th</sup>, at 10 a.m., Missionary Rev. Dr. Paulah went to Hindi Bethel Baptist Church (Pastor Anoop's Church) to preach the word of God during the Sunday service.

She preached on Ephesians 3:6-9 and testified "*The abundant grace of Christ is beyond measure.*" As she prayed for the saints after the service, an amazing work of the Holy Spirit took place.

## 3) Saturday & Sunday Evangelism

Every Saturday at 8 a.m., MIGSM & MIDS Students and staff are divided into seven teams to preach the Gospel to Muslim and Hindu villages. At 2 p.m. on Sundays, the outreach team goes to Burma camp (name of a locality) to hold evangelistic meetings in the streets. Many children, mothers, and young adults attend. Everyone is actively involved in singing, Bible stories, Bible recitations and quizzes.

This year, Brother Paul and Sister Lemnya are working hard in many ways for the outreach team in Dimapur, Nagaland. It is said to be "*the golden fishery of the Gospel*", so even Muslims and Hindus accept the Gospel without hostility.

## 4) Making Toilets in Sundarban, Kolkata

"Open Door Mission" of Myeongseong Full Gospel Church, Korea, made the toilet at Sundarban District, Kolkata, in the Nazir Missionary's Mission field, where Mr. Neurosu is the Pastor. It may not seem much but by building two toilets, the congregation who come to church have been helped greatly. Rev. Ron Smith, President of the "Global Sharing Mission Organization" in the United States, visited the area and stayed there for three weeks to share the vision of missions and support a little bit every month from now on.

The missionary's wife gave birth prematurely (7 months) and was rushed to the hospital, but with God's help, she gave birth to a baby after surgery, and fortunately, both mother and son are healthy. Please pray that son Adam will continue to grow up well and that his wife will be able to take good care of the baby and help in the ministry.

**5) Mengkeng Baptist Church, Arunachal**

The construction of Mengkeng Baptist Church, located at Mengkeng Village under Namsai District, Arunachal Pradesh, is served by Pastor Tarun Chungkrang. It was temporarily suspended due to financial difficulties, but with the help of Rev. Kim in Korea, it has been resumed and the Roofing construction is being carried out. Construction of the church has begun with the cooperation of the "Open Door Mission." Pray that it will be completed before the anniversary of the church in September this year.

**6) Mission Conference and AATA Meeting at Chiang Mai, Thailand.**

Rev. Dr. Kenny and Rev. Chang Kuk Han attended the 29<sup>th</sup> World Mission Conference at Hotel Furamaand at Chiang Mai, Thailand and also for the installation of Harvest University President of Dr. Chung Hung Hoin Chiangmai, Thailand, 22<sup>nd</sup> -27<sup>th</sup> April 2023 this also coincided with the Asia-Africa-Theological Association (AATA) Meeting. We are grateful for the meaningful meetings and good fellowship with the Seminary professors.

**6. M.I. India 4<sup>th</sup> Floor Construction (Hostel & Seminar Room)**

With the grace of God and the help of South Korea mission minded individuals and churches, the construction of the 3<sup>rd</sup> floor was completed except floor tiles, Electric lights were fixed and we are grateful to have worship and meetings in the brightness at night. Due to the increasing number of Bible College students and discipleship students, there was a shortage of dormitories, so the construction of the fourth floor was hastened. Including staff, about 70 people live in the community, but there is a lack of accommodation when new students arrive. The architectural structure is the hostel on the left, the seminar hall on the right and the broadcasting room in the middle. Two toilets and shower rooms are also under construction.

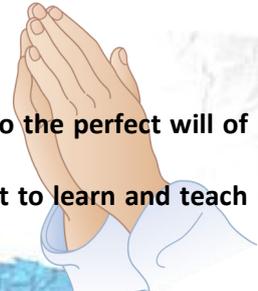

During Friday morning social work, students carry cement, sand and bricks, they help a lot in the construction. When the 4<sup>th</sup> floor construction is completed, the plan is to put tiles on the floor of M.I. Conference Hall on the 3<sup>rd</sup> floor and to expand the library during the summer vacation. God has been faithful throughout the years and through the sacrifice of many people. The construction of the M.I. India Centre and Seminary will hopefully be completed before the Mission Conference this year on 4<sup>th</sup> Oct. where M.I. Seoul 31<sup>st</sup> & M.I. India 17<sup>th</sup> Anniversary Celebration will be held. Please continue to pray for God's constant provision.
