## "Mission Force & Missionary Force"

"Praise the Lord, my soul and forget not all his benefits" (*Psalms 103:2*)

Rev. Dr. Kenny Kapfo (M.I. India, President)  
Rev. Dr. Paulah Kapfo (M.I. Mission Director)

We give glory, honor and thanksgiving to our Almighty and gracious living God, He is Faithful and Loving heavenly Father. We also render our gratitude to all our co-workers, sponsors and prayer partners all over the world.

Since the inception of M.I. (Mission International) SEOUL in 1992 and M.I. INDIA in 2006, God has done marvelous things in M.I. ministry. He gave the vision and calling to preach, to teach and to heal all over the world. Our motto is "*Being discipled to disciple.*" We also give heartfelt appreciation to Rev. Dr. Johnny Chun, the founder of M.I. for teaching the Word of God and building up many disciples of Jesus and Missionaries. Our desire to serve God more effectively and vibrantly.

Many inspiring and humble spiritual mentors and sacrificial sponsors have worked hard to train many committed young men and women and spiritual leaders. God molded us steadily step by step for our growth and maturity. Through our experiences of encountering God and living testimonies we tried to challenge many mission-oriented people, to be involved in God's mission work more actively. We endeavour to transform lives of many wandering young people, to save lost souls and to show God's love in every aspect of life.

By God's constant care, provision and grace, M.I. INDIA manifold ministries: academic training, (M.I. Graduate School of Missions), Mission International Church, M.I. Vocational Centre, M.I. Discipleship School, M.I. Prayer House and Outreach Mission and church planting.

In spite of our weaknesses and struggles in many ways, God has been fulfilling His tasks. God has tested and encouraged us to refocus on Him and to trust in Him with our total being. Our unceasing prayers and full surrender to God's will and ways will bring abundant fruits in the days to come. Let's build up Mission Force (Spiritual men force, Financial force and Missionary Forces). We have to strengthen and show our progress and enlarge our tent for His mission.

Our constant and sincere prayer is, "Lord, use us as your instruments of glory to shine the light of the Gospel and to feed many hungry souls." Make us your channels of blessings to all nations. Help us to bring great impact in world mission and increase our faith in you and love for the dying people.

**Soli Deo Gloria**

"May He give you the desire of your heart and make all your plans succeed" (*Psalms 20:4*)
