

M.I. INDIA

“Strengthen and Enlarge your Tent”

“Enlarge the place of your tent, stretch your tent curtains wide, do not hold back; lengthen your cords, strengthen your stakes. For you will spread out to the right and to the left; your descendants will dispossess nations and settle in their desolate cities.” (Isaiah 54:2-3)

Rev. Dr. Paulah Kapfo &

We give glory, honor and heartfelt gratitude to our Almighty God, Faithful and Loving Father. We also render thanksgiving to all our co-workers, sponsors and prayer partners all over the world.

Since the inception of M.I. (Mission International) Seoul in 1992 and M.I. INDIA in 2006, God has done marvelous things in M.I. ministry and taught us to be discipled to disciple. We give heartfelt appreciation to Rev. Dr. Johnny Chun, the founder of M.I. for teaching the Word of God and building up many true disciples of Jesus, Missionaries and Spiritual Leaders with mission vision and inspiration to serve God more effectively and vibrantly.

Many humble and sacrificial mentors have also contributed to train many committed young men and women and spiritual workers. There is an old saying “Slow and steady wins the race.” Like that maxim, our growth seems to be slow, but God molded us steadily step by step for our growth. Through our experiences we try to challenge many mission-oriented people, to transform many wandering young people, to save lost souls and to show progress in every aspect of life. The love of God motivates us to serve Him till today.

By God’s constant care, provision and grace, our M.I. INDIA has manifold ministries: Bible College, (M.I. Graduate School of Missions), Mission International Church, M.I. Vocational Centre, M.I. Discipleship School, M.I. Prayer House and Outreach Mission. Whatever God has enabled us to accomplish is very precious and worthy.

In spite of our weaknesses and struggles in many ways, God has been fulfilling His tasks. God has humbled, tested and molded us to refocus on Him and to trust in Him with our total being. Our unceasing prayers and full surrender to God’s will and ways will bring greater fruits in the days to come. We hope and believe that He will do mighty things for us. It is time to update and to upgrade our mission. We have to strengthen and enlarge our tent for His mission.

Our constant and sincere prayer is, “Lord, use us as your instruments of glory to shine the light of the Gospel and to feed many hungry souls. Make us be your channels of blessings to all nations. Let’s increase our faith and love for the dying people to give great impact in world mission.

Soli Deo Gloria

M.I. INDIA HISTORY PHOTOS

“WHY AM I IN M.I.?”

I have seen the faithful hands of God throughout these 26 years in M.I. since I joined M.I. Korea in 1996, June 29th in Seoul.

I went out for studies abroad in 1993 and landed in Manila, the Philippines on November 02 which was All Saints’ Day in the country.

Through a friend of mine I came to know Rev. Dr. Park Nam Sun (now Paulah Kapfo) and Mission International (M.I.) few months before the completion of my studies in the Philippines.

Rev. Dr. Kenny Kapfo
M.I. India, President & Principal, MIGSM

I arrived at Kimpo Int’l Airport on June 29th, 1996 at 3:00 p.m. on a rainy day where I met Dr. Paulah, Ruth Cort and Sunny Kim after waiting in the A-port without a single dollar in my pocket to have even a cup of coffee or water.

The Lord had put the desire in my heart to visit South Korea for two reasons: to see the Prayer Mountains and to learn more about Korea Mission Movement.

Miraculously and amazingly I could go to Korea through the gracious invitation of Rev. Dr. Park Nam Sun to M.I. Seoul entirely by faith.

I saw faithful hands of God in M.I. as I continued to stay and serve in and through M.I. Seoul. One day I prayed for three prayer points and I called them 3Ms Prayer: Master’s studies, Ministry and Marriage. And the Lord answered all my 3Ms Prayer at the same time.

As we (Dr. Paulah and I) got married on October 04th in 1997, the Lord opened the door for me to pursue Master’s degree as well as the ministry for me was confirmed-to serve the Lord in missions through M.I.

Dr. Paulah went ahead of me to India in 2006 in summer for the First Camp at present M.I. Center and in 2007 in winter for good to pioneer M.I. ministry in India and beyond.

As I returned to India in February 2010 and joined my wife to serve in M.I., I continue to see the faithful hands of God in M.I. throughout these 16 years of M.I. ministry in India and beyond.

As we celebrate and give thanks to our Almighty God for His faithfulness and goodness, His gracious guidance and provisions in M.I. and for M.I. throughout these 30 Years of M.I. Seoul and 16 Years of M.I. India, may we rededicate, recommit and renew our lives, faith, and commitment to serve the Lord in and through M.I. for His highest purpose and Glory!

Soli Deo Gloria!

CONGRATULATORY NOTE

Rev. Park Jong Yun

I congratulate M.I. Seoul 30th & M.I. India 16th Anniversary in the name of the Lord!

There are Four Reasons to congratulate:

1. You have obeyed the Great commission of Jesus Christ.
Rev. Dr. Paulah came to India, preached the gospel and tried to do good works.
Instead of Jesus, I congratulate.
I proclaim that the soul Jesus bought with the price of His blood, lives for the Lord is the great grace and blessing.
2. I congratulate more because your ministry is to love souls.
Our Lord commanded us to love each other, and because you shared Jesus' love and practiced His love.
3. For 30 years, Rev. Kenny & Rev. Paulah, the couple and the saints have looked on Jesus alone and have come this far, so God's wonderful works happened.
I give all the glory to God because you have focused on God only and didn't turn your eyes to other things.
I give heartfelt congratulations for that. I think its fruit is M.I. Church.
I congratulate you for being M.I. Church members and staff.
I hope that you will bear much fruits even in the days to come.
Without being clothed with God's grace, we can't do this kind of ministry.
4. The person who has full of arrows in his box is not ashamed before enemies.
Jesus disciples -3, 12, 70, 120, 500 people and the crowd.
Like the ministry of Jesus, M.I. does the same Discipleship Ministry.
For this I congratulate you.
As Father's heart is with the souls, broken and hurt, you have the Father's heart.
So I congratulate you.

May the Almighty God continue to bless you and use M.I. Seoul and M.I. India for His glory and Kingdom.

CONGRATULATORY NOTE

**Awelo Mekrisuh
(M.Th. Student MIGSM)**

It has been 30 years of M.I. Seoul and 16 years of M.I. India since its inception that God has been working in and through His humble and faithful servants. And I am thankful to God for his unfailing love and His grace upon grace towards M.I. Ministries.

Any big grown tree starts their growths from a humble grass-root level sprout, building its roots down below, struggling as it grew stronger, beaten down by storms and stepped upon by man. Yet its roots never give up going down making it sure it can support its giant body.

M.I. India is like such a tree, which began humbly from the root, having no good buildings for fellowship and no facilities to refresh. Nevertheless, we are celebrating Anniversary on this day, only through the grace of God and the sacrificial act of Rev. Dr. Paulah Kapfo and Rev. Dr. Kenny Kapfo.

By the grace of God, M.I. Seoul is celebrating its 30th Anniversary, and M.I. India, its 16th fruitful Anniversary. Along with this, M.I. Founders, the wonderful couple, Rev. Dr. Kenny Kapfo and Rev. Dr. Paulah Kapfo are also celebrating their 25th Wedding Anniversary.

Through these 25 years together, God has been using them in many remarkable ways and the couple has passionately devoted themselves in the mission for the Lord and reached many to unreached people of many countries around the world.

Following the motto *"Being Discipled to Disciple"* they go every corner especially in India, to make disciples of the Lord. They go teaching, preaching and healing all over the world.

How wonderful and amazing is to see the grace of God working in and through His humble and faithful servants who gladly accepted the call to establish this Mission International Ministries.

There is no greater sacrifice a man or a woman can offer than to lay one's life for another cause.

On this auspicious day, I convey my Heartiest Congratulations to Rev. Dr. Kenny Kapfo and Rev. Dr. Paulah Kapfo for their unwavering service for the Lord and for completing their blessed married life for 25 years. I warmly wish more happiness in their married life and more blessing in the ministry.

I also appreciate and congratulate all who stood by M.I. Seoul and M.I. India Ministries during good and hard times. Remember, your labor in the Lord is never in vain.

Once again, Congratulations...!

"Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain." (1 Corinthians 15:58).

A WORD OF ENCOURAGEMENT

Rev. Han Chan Kuk

I sincerely congratulate M.I. Seoul and M.I. India on their 30th and 16th anniversary celebrations. I wish God's will is done in India through M.I. India as God's will is done in Heaven. I give thanks to God for granting this opportunity to be working together for God's will.

First of all, I give thanks, glory and praise to God who established M.I. INDIA 16 years ago in this place and guiding the center throughout 16 years journey. 16th years ago, I visited Nagaland, India for the first time. We prayed for this land (Presently M.I. Center building) together during those days. Since then, I have visited M.I. India 11 times. Every time I arrive, I could see changes and growth. I witness M.I. being built strongly.

Until these beautiful fruits are born, there have been tears, prayers and service of love from Rev. Dr. Kenny and Rev. Dr. Paulah. Their dedication will continue to bring beautiful blossoms and fruits in this place. Alongside their dedicated service, there have also been coworkers who joined together and helped through financial support and prayer in many ways for M.I. Ministry. I also pay my respect and convey God's blessings to all the people who have been part of this ministry. The growth of M.I. India ministry has always been the best workmanship of God. Paul in Phil 1:6 reminds that God began His work and that God gave our hearts deep impression, provided all our needs and allowed all to be coworkers looking towards completion. At every difficult moment, God gives us strength and wisdom, so we could overcome all hardships. It is God who guided us to this place today, I give thanks to God.

On this 16th Anniversary, I hope M.I. Ministry will be renewed and be upgraded in quality. Many churches over the world have lost sight of the values of the Kingdom of God. Churches have slowly become secularized and are in pursuit of worldly values. So they have lost the kingdom of God. The key element of Jesus' teaching is the kingdom of God. Jesus proclaimed His first message, "the Kingdom of God is near." Jesus demonstrated that the Kingdom of God has come on this earth through his teaching and healing. After his resurrection, until his ascension, He taught His disciples about the Kingdom of God.

The ending verses of Acts, (28:30-31) "For two whole years Paul stayed there in his own rented house and welcomed all who came to see him. He proclaimed the kingdom of God and taught about the Lord Jesus Christ with all boldness and without hindrance! I hope M.I. INDIA will follow the great examples of Jesus and the Apostle Paul and proclaim the Kingdom of God boldly and fearlessly. M.I. INDIA must present itself as the most beautiful model to show the Kingdom of God to India and its neighboring regions.

I hope M.I. INDIA will produce many workers to build God's Kingdom. I expect that many souls on this earth will see God's Kingdom through M.I. and the work to long for God's kingdom will be established in this place. I pray that our Lord's grace and blessings be with you always.

REFLECTION

It was on December 30th 2007, I came down from Kohima a friend who introduced me to M.I. India and met Rev. Dr. Paulah Kapfo at Mission Home. She gladly welcomed us and took us to the sitting room where she introduced the nature of the ministry and the need of workers. At that time the ministry was in its initial stage and she handed me a membership form to fill up. After a time of prayer together we parted. During the month of January 2008, Rev. Dr. Paulah Kapfo called me up again and requested me to come and help the ministry but I was still indecisive then. One fine day my mom told me that when someone is in need of help we should not ignore but we should pray and help them. Indeed, my mom's wise advice inspired me and led me to serve in the ministry of M.I. India.

David Dehe
Asst. Pastor,
M.I. Church

I reached M. I. India campus on February 1st 2008, along with my parents. Rev. Dr. Paulah introduced me some trainees and led to my room. It was a humble bamboo-made house surrounded with trees and bamboo grooves. In spite of the difficult conditions with humble infrastructure what really mattered was the ministry.

There were times when the tight schedule of the ministry wearied us down but ultimately it actually became the strengthening agent in spiritual life. The strongest motivation and encouragement came from Rev. Dr. Paulah as she spent time with the members the entire day teaching, instructing and praying. The construction work for M.I. Center began in November 2008 which led me to engage with more people, merchants, and workers with my little construction knowledge for the center. In spite of ups and downs God helped me through all and used me as the construction work in-charge till 2012.

God provided a loving and caring spiritual mother Rev. Song Keum Ja who inspired me and helped me materially as well as spiritually who came to M.I. India for 3 times. She is now with the Lord. Rev. Kim Ok Nam encouraged me as well and helped me financially whenever she visited M. I. India. As their contributions to my life is worth a ton. My love and prayers for them and their family will continue ever. In 2009, Rev. Dr. Paulah gave me a Nagamese Bible and I had the first privilege to begin Nagamese fellowship with some members who could not understand English on Sunday worship services. With that humble beginning today attendance has increased manifold. I was also given a privilege to lead the Praise and worship in M.I. Church and other ministries.

In December 2010, God helped me to find my twin flame (at M.I.) which was wonderfully and beautifully prepared for me in His design. He arranged every pinch of my marriage preparation amazingly. Rev. Dr. Paulah and Rev. Dr. Kenny also encouraged and enrolled me to become the first M..Div. graduate (2012) at MIGSM (Mission International Graduate School of Missions). Till today their help continues regardless of my difficulty and problems. I also had involved in constructions, leadership, counseling, learning, as well as in teaching the members how to drive a car.

My spiritual parents' testimony and guidance challenged and inspired me. Patience, meaningful prayer life, commitment, dedication, sincerity and faithfulness were the qualities that built me up physically, mentally, emotionally and spiritually.

M. I. India is such a place where youths are nurtured, cared, taught, helped and prepared for the Master's use. M. I. experienced unmerited blessings of God that come through those committed and dedicated believers in Christ (Korea and others India). My journey to M.I. began in 2008 but their love, care and concern still remains strong. I extend my heartfelt gratitude, a profound love and a consistent prayer upon the M.I. India ministry as well as to Rev. Dr. Kenny Kapfo and Rev. Dr. Paulah Kapfo .

Shalom!

Soli deo Gloria!

REFLECTION

It is a great pleasure for me to share my experience as an MIDS student from 2021 to 2022 at M.I. India I have been a lay worker in the capacity of a Sunday School teacher since 2007. However I observed that I needed a deeper knowledge about Christian faith in order to be a more effective teacher. Hence with this motivation and the urge to search for the deeper understanding of the word of God and the urgent need to guide our straying children to the way of salvation, I landed in M.I. India. Being a housewife, it was a challenge to attend the classes regularly but by the Grace of God I could complete the course successfully, how short the journey was.

**Neipete-ü Koza
(Student, MIDS)**

Since joining Mission International India, I have learned and experienced several new ways in academic life (searching for and reading the right books), homiletics insights (preparing sermons properly), and mission and ministerial engagements. I have also learned through a significant deal of experience in evangelism, especially with non-believers and other different groups of people.

I must say that Rev. Dr. Kenny Kapfo and Rev. Dr. Paulah Kapfo are God gifted and well-motivated servants of God to people and also to younger generations. They accept everyone equally irrespective of age, gender, race, class, ethnicity and abilities, those who have the zeal to learn the word of God and follow the doctrines of Christ.

In conclusion, I can testify that M.I. is an institution for spiritual growth. It has the character of grace, generosity, humility, love and a commitment to build up spiritual leaders, missionaries, devoted Christians for God's glory.

May God continue to use M.I. effectively to serve and save many lost souls!

GOD BLESS M.I. INDIA!

Ms Vinoli Ayemi

Greetings to you all in the name of our Lord and Saviour Jesus Christ.

The Youth Group is a fellowship of youths of 20 years and above under the M.I. Church Ministry. We have 24 members (13 girls, 11 boys). The activities are confined within the M.I. campus. We pray and look forward to better days when the youth fellowship may extend its ministry outside the campus. Some activities undertaken are:

The youths are divided into 3 groups to encourage team work and mutual support. The groups take turn in organising the worship services and also organise various group wise competitions.

Testimony sharing by two members every Sunday and a special prayer for them. Engage creative form of fellowship once a month like Outdoor worship, Lessons in Act, Appreciating our Culture Day.

TEENS

Ms Aghakali Swu, Lead-

In a world where everything is quick, fixed, and virtual, the ministry to the teens has become very crucial and challenging. Biologically the teenage stage is a time where a person goes through numerous changes emotionally, physically, psychologically, and spiritually as well. Going through these several changes result to anxiety for individuals to cope and adapt to. This new environment they are placed in is where they require proper guidance and nurturing.

In a context such as this our ministry is designed to extend help and to cater to the needs of teenagers, to guide, nurture and to support their journey in this progressive world.

Our primary focus and vision is to nurture them to grow up and mature in Christ. We focus not only in helping them grow as matured believers but also assist them to become an agent of the good news even to their near and dear ones. We give them opportunities to explore and develop themselves by providing platforms to lead and participate in various activities such as participating in fellowship by taking up different roles and letting them become agents of the good news by bringing in friends and dear one into the community of believers. Our motto is to bear the fruits of the Spirit such as "love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control (Galatians 5:22-23). We are strongly convinced that everybody is accountable to remain genuine Christian and to bear good fruits, irrespective of age, gender, and race.

The current strength of the teens fellowship is 16 in number. The pandemic situation of the world has also affected the enrolment of students thus affecting the strength in the number of students. One of the greatest challenges in this ministry is language barrier. It has affected many possible positive results from the ministry. Nevertheless despite the challenges and disappointments our experience of God's blessings and goodness has surpassed over the bad ones and we praise God for such rich experiences.

M.I. DISCIPLESHIP SCHOOL (MIDS)

What is MIDS?

Mission International Discipleship School (MIDS) started as M.I. Vision School in 2010 and developed as M.I. Discipleship School in 2012.

MIDS pursues to train and build up Spiritual leaders and Tentmakers. It has been training committed young men and women to become faithful workers and disciples of Jesus Christ.

Those who couldn't pass metric joined our MIDS and after 2 years of Discipleship course including Bible study, Discipleship, English, Montessori, Christian Education and different talent training, students come to have more zeal to study. So some students go for open school exam and after passing it, they enter Bible College.

This is a platform to guide them as a pre-Theology course to prepare to enter MIGSM.

It's a great joy to see wonderful changes in their lives. They are more committed to God's ministry and try to cultivate their hidden talents and discover their callings. With Bible college students they have common activities like morning devotion, personal prayer, evangelism, worship, social work, students' fellowship and outreach ministry. Through interaction and mentoring system with senior Bible college students and spiritual community life, M.I. discipleship students are able to learn and are well equipped with the Word of God and in practical ministry.

300 GIDEONITE MEMBERS & MISSION PARTNERS

In the precious name of our Lord Jesus Christ, we welcome you to be our partners to support our mission through prayer, financial assistance and active participation in our various activities. You can join M.I. Ministry in many ways.

M.I. has been sponsored by sacrificial donations from Korean friends, Churches and families, but we cannot depend on their help always.

We are training and building up future missionaries, spiritual leaders, and God's workers through M.I. Church, M.I. Graduate School of Missions, M.I. Vocational Centre and Out-Reach Mission.

We started our ministry humbly by faith and God's provision. As the members come from poor family backgrounds, we are unable to meet all their needs. Therefore, we need financial assistance for students' scholarship, construction of M.I. Centre, Rice bag (50 kg) for students, M.I. ministry needs (Generator, Bus etc.), library development, missionaries, church workers and staffs.

Your cheerful and sacrificial offerings will make a big difference in the world mission.

"Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously.

Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.

And God is able to make all grace abound to you, so that in all things at all times, having all that you need, you will abound in every good work.

As it is written: "He has scattered abroad his gifts to the poor; his righteousness endures forever." (2 Cor. 9:6-9)
