

## M.I. INDIA Mission News (April, 2022)

**“God is our refuge and strength, a great help in trouble. God is within her, she will not fall; God will help her at break of day.” (Psalm 46: 1 & 5)**

### Have you been healthy and at peace?

Thank you for helping many people who were stricken with Corona in Korea to recover and return to a normal and healthy life. From May, direct flights from Delhi to Korea and international routes to Thailand and Singapore have been opened, so flights are operated at lower prices and tourist visas are given. I look forward to the day when the Korean short-term mission teams can step on the land of Nagaland again.

To all our co-workers who faithfully carry out God's work with constant prayer and support. I pray that God's more prepared blessings and grace will fill your home and the church you serve. Sha-

### 1) Good Friday & Easter Services

In addition to the weekly regular classes, the seminary students observed the Palm Sunday on April 10<sup>th</sup>, Good Friday service on April 15<sup>th</sup>, and Easter service on April 17<sup>th</sup>. Did you receive grace with all the members of the church?

On the 15th, during the Good Friday worship and Holy Communion service, and during the Easter morning sunrise service, Missionary Nam-Sun Park delivered the message and during the Easter Sunday Service, Missionary Kenny gave the message.

On the night of the 14th, a strong rainstorm accompanied by thunder and lightning continued, and it rained heavily until 4:50 a.m. on Easter Sunday.

I prepared all the chairs on the 2nd floor of Mission Home the day before to watch the sunrise from the outdoors, but on Easter morning a strong wind blew and I was hesitant about it. While praying and pondering whether to cancel and go to the conference

hall on the 3rd floor, “wait in faith”, Missionary Kenny said, “The road of my life....Peace in my soul, I have decided to worship on the 2<sup>nd</sup> floor of Mission Home, singing a hymn.. Surprisingly, as soon as Missionary Nam-sun Park stood in front of the pulpit to preach the word, the rain and wind stopped and the wind calmed down and it became so peaceful. As soon as the sermon was over, a dazzling red sun rose over the surrounding forest, cheering and praising the power of the Risen Lord. A beautiful fan-shaped sun rose above the trees on the other side.

We thank God once again for breaking our despair, sin, sickness, and death and giving us the living hope of eternal life.

## 2) Seminary Mid-Term Exam

There was a Mid-Term Exam for one week from April 19<sup>th</sup> (Tuesday) – 26<sup>th</sup> (Tuesday). Everyone stayed up all night and studied hard to get good grades.

The Discipleship School and Seminary students, four students who had not yet graduated from regular high school took the Open School Exam (GED) successfully.

Completed the exams on April 26<sup>th</sup>. Currently, 45 graduates (five students commute) and in M.I. more than 70 people, including 15 students from the Discipleship School (one attending school) and 11 Professors and Staff, are living in community hostels.

There are 9 Seminary Professors, including 4 full-time Seminary Professors and 5 visiting Professors, and 8 Lecturers for the Discipleship School.

## 3) Devotional Life, Practical Theology, Evangelism and Outreach Missions

Through practical theology and weekend ministry training, daily life of godliness, prayer meeting, Monday Chapel, Tuesday Intercessory Prayer Meeting for Missionaries, Friday Healing Service, Saturday Evangelism, and Sunday Outreach Ministry continue.

In particular, from 8 am on Saturday, Seminary Students and Staff are divided into 7 teams and go to Hindu regions and Muslim villages to evangelize under the leadership of team leaders. In addition to Praise and Prayer, Bible Stories and Bible Recitation, so parents open their hearts and participate in evangelism classes together or invite them to their homes for prayers through the practice of washing children's hands and feet, washing their hair, and giving them a bath.

God wants all people to be saved and to know God, so He works through evangelism teams.

## 2. M.I. CHURCH

### 1) Early Morning Prayer Meeting and afternoon Intercessory Prayer Meeting activation and Worship.

Every day at 5 am, Nagamese Morning Devotional Time continues in grace. Pastors take turns in preaching the word every day, and it is challenging by giving occasional opportunities to preach the word by lay leaders, such as Deacon K. Mero, Sister Lily Sumi, and Sister Ashika, who have either studied theology or have not studied theology.

After the 4-5 pm individual prayer session, the 5-5:30 joint intercessory prayer meeting, Missionary Nam-Sun Park leads the prayer every day. The Sunday morning community worship service is held at 10 a.m. in the local language, i.e., Nagamese, and the text of the sermon is shown through English Power Point. The English Vesper is held at 7 pm, and Seminarians take turns in preaching and glorifying God with English praise.

### 2) Men's & Women's Fellowships, Children's Sunday School, Teens and Youth

#### Fellowships.

Every Wednesday at 10 am, we have Women's Fellowship service, and after the Sunday community service, a Men's Fellowship service is held more where and more believers are participating.

On Wednesdays, mothers have a small group fasting and prayer meeting from 8:30am-12:30am (excluding service hours). On April 27<sup>th</sup>, a special fasting and prayer meeting was held for the Revival and Healing Meeting which was held on the 29th and 30th. Sunday morning Children's Sunday School, Junior High School and Youth Fellowships are also well conducted under the guidance of Sisters Tshekute-ü, Aghakali, and Professor Vinoli.

### 3) Revival and Healing Meetings

Friday, April 29<sup>th</sup> from 3:00 pm on M.I. In the Conference Hall on the 3<sup>rd</sup> floor, with the active participation of various cooperative teams, Revival and Healing Crusade started with God's grace.

**Rev. Dr. Paulah Kapfo**  
Mission Director, M.I.

Missionary Nam-Sun Park preached under the title of *"Touch even the cloak him of Jesus'* robe" with the main text from *Mark 6:53-56* and had time to pray and praise for the sick after the service with a blessing. Under the wonderful anointing of the Holy Spirit, the first meeting ended well with joy and thanksgiving. Deacon Lee delivered a special prayer at the Calvary Ministry and Zion Prayer Home in Chümoukedima.

On the 30<sup>th</sup> (Sat), Missionary Nam-Sun Park was the moderator and Pastor Ado Kezo testified of the Word with the text from *Mark 2:5-12* under the title *"Which is Easier?".*

Pastor Ado is the son of evangelist Theyisayi Kezo, who led the prayer ministry in Nagaland, who is a member of the same tribe as Missionary Kenny. He married sister Atsu, a Seminary Professor, and was blessed with three children. He is a worship leader and a preacher who passionately proclaims the gospel of Christ.

**Pastor, Ado Kezo**  
Founder Chairman  
Beautiful Feet Ministries

He served as a missionary in Hyderabad, Haryana, North India for 12 years, and now he is serving as the head Pastor of "The Truth Worship Center Church" and serving as a Founder Chairman of the "Beautiful Feet Ministries".

The very Spirit-filled and dynamic praises and words gave fresh shocks and challenges wherever they go. Missionary Nam-Sun Park gave a invocation and the Zion Prayer Home. United Prayer Group, Calvary Ministry, Saturday Fellowship and M.I. Women's Fellowship gave special praises, Evangelist Yhungshenlo Jishing of the Jesus Love Worship Center prayed for offering, and Apen of Calvary's ministry read the Bible.

A few years ago, a Korean short-term team came and led various meetings, but due to the pandemic lockdown situation caused by Covid, the Korean teams couldn't come these days.

### 3. M.I. Vocational Center

#### 1) Musical Instruments Training

Sister Grace from Korea taught piano and worked hard and taught at different music academies and private lessons. As a result, Sisters Achele, Ashika, and Viletuonuo are able to accompany praise during Sunday morning community worship or English worship.

After Sister Grace is married, Sisters Achele and Ashika are teaching other aspiring students to learn piano and keyboard.

Brothers Rece and Raja teach guitars and Brother Philip teaches drums. At present, Brothers Enoch and James play drums on Sundays.

#### 2) M.I. Press

In the M.I. computer lab, Mr. Haggai has been printing, copying, and binding students' work.

This year, he started studying Master of Theology and needed a helping hand so brother Jayanto, Sisters Weneikhro-ü and Dzute-ü are working together to help with the press in many ways.

This time, the English hymnbook was newly edited and 104 new hymns were recorded. Instead of asking a publisher or copy book, we edited, copied, and bound ourselves to make 20 books. We also copied the existing hymnbook and made a book.

If we buy a copier that can make a lot of copies in the future, we will be able to publish more books. Missionary Nam-Sun Park's English testimonies, sermons, Bible study materials by topic, discipleship training and mission-related books are being revised.

In the development of Christian literature, M.I. Press will make a significant contribution. On the upcoming May 13th (Friday), students will hold a poetry, art, drama, extempore speech and debate contest, under the theme of War and Peace as Seminary School Literary and Art Day, and on the 14th (Sat) 6pm, there will be praise and handicraft competitions.

MISSION INTERNATIONAL INDIA  
"Therefore go and make disciples of all Nations..." (Mat. 28:19)

Let everything that has breath praise the Lord" (Ps. 150:6)

M.I. PRESS

Singing has an important part in the life and worship of the people of God. Singing brings glory to God and blessing to man. God commands us to sing and when we sing Spiritually it is an act of true worship.

Singing has a great role to play in Christians' life which can be Spiritually and Morally uplifting, challenging, helpful and holding up to the standard of the Christian life.

Let us give thanks to God through singing who is our Creator, Provider, Redeemer and Sustainers, to him this Song book is prayerfully dedicated and sent with a hope and prayer that it may enrich the Spiritual life personally and corporately of those who sing unto the Lord.

### 3) Language Training

Every Tuesday and Thursday from 2-3 pm at M.I. I am teaching Korean and Sister Grace from Korea, teaches Korean at the Holotoli School, and Brother Kim, Young, teaches Korean at the Bethesda School.

### 4) KUC (Korean Uncle's Cafe)

The Korean restaurant is run by Park Sang-Gyu and continues to be well run by God's grace in Kohima and Dimapur.

Please pray for the new employees to adapt and develop well, and to stand up as a good model for professional missions, competitively among the Korean restaurants that are popping up in various places.

### 5) Construction of Staff Quarters

M.I. When it rains, the Shanti family and the blind Joseph family, who work and serve in the church, often have old houses and water leaks. Building a new accommodation before the summer monsoon season, another two new families, Kumar, who drives and serves in the M.I. students' cafeteria. We need a place to stay for the family of Kangnoi, who will serve in M.I. prayer center and outreach ministry. As soon as the 3rd floor conference hall bathroom construction is finished, construction will begin on the land of the MIVC Technology Center. While I was looking for a temporary place to stay while building the house, there was a land behind Ruth Rai's house where each family could build a house by paying 110,000 Won a year in land tax and preparing to build a house with Tins.

## 4. M.I. Prayer House

The land owners in the village of Tekrube met and discussed various things such as a meeting for the development of the village, making land boundaries, and making land documents. Missionary Kenny was appointed as vice president and after several meetings, the government made a plan to build a large fish farm and tourist attraction near the prayer center in the future, and applied for a government subsidy to make aspire on the roads that could not be reached during the summer and rainy season. The Chakhesang tribe of Missionary Kenny's hometown is making blueprints to form a large village.

M.I. Brothers Awang and Sanjay continue to serve at the prayer center, and worship is held on Sunday mornings and daily devotion and prayer meetings are held. One sad fact is that every day, a Muslim woman, Mojiram, who come to M.I. to talk and pray, wanted to be baptized on Easter, but was not baptized this time because of her son-in-law and her family's objection. However, every week she attends the worship service without missing a day, and whenever she hears the word, she responds with Amen, Amen!

You can see that the Holy Spirit is already working in her heart and life. If you see Muslims who do not come to worship during the fasting period of Ramadan, you can see that the Muslims seem to have changed on the outside, but they are still conscious of those who are still in the world, and they see a self-protection instinct to avoid being abandoned by their families and relatives.

## 5. Out-Reach Missions

On Easter, April 17<sup>th</sup>, through the introduction of Brother Alo, a graduate and who helped with the administration in the office, Missionary Namsun Park went to Medziphema Chakhesang Baptist Church and preached in the local language, Nagamese. Brother Rukuzo, who went with us, gave a special song, Brother Amrit gave glory to God with the worship dance, Brother Silhou drove the car, and Sisters Aneile and Aghakali helped the ministry by intercession.

We give thanks and glory to God for having a meaningful Easter in which everyone was blessed by God's grace. Brother Alo, who is the leader of the youth group and the church's secretary and Sister Gloria, who worked together in the office, got married and worked as a teacher and administrator for an elementary, middle and high school until last year. Their daughter goes to kindergarten this year, so Gloria walks 20 minutes every day to pick her up.
